15D Roes

AMENDMENT PURSUANT TO 37 C.F.R. § 1.111

Hon. Commissioner of Patents Washington, D.C. 20231

Sir:

This is in response to the official action dated December 31, 2002, where claim 35 was rejected under 35 U.S.C. §112, first paragraph. The applicants respectfully traverse in view of the following amendment and comments.

I. AMENDMENT

IN THE CLAIMS

Please cancel claim 35, without prejudice.

II. REMARKS

The examiner rejected claim 35 under 35 U.S.C. §112, first paragraph as allegedly containing subject matter that was not described in the specification in the such a way as to reasonably convey to one skilled in the art that, at the time the application was filed, the applicants were in possession of the claimed invention. It is the examiner position that the limitation provided in 35 does not find support in the present specification.
